

Happy Holidays from CARE

The *Holiday Season* is here again, and we at CARE give thanks for the blessings of 2006. Your donations enabled us to perform much-needed improvements on several enclosures; we built new platforms and shelters to replace worn out ones. We also added a new water source to our property, ensuring fresh water for our cats during this time of drought. Several cats received necessary veterinary care, and all of our cats received the vitamins and medications they need to stay happy and healthy. None of our fifty-five cats ever went hungry. We owe all of this to

the generosity of private donors like you.

In 2006, we welcomed four tiger cubs into our hearts and home. Our babies have grown, as you can see—JP, above, is wearing a Santa hat. They are a twenty-year commitment; CARE has promised JP, Allucia, Luca and Jakey that they will always have warmth, shelter, and food in their bellies.

2006 also brought sadness and hardship. We said goodbye to Makachi, Jake and Momma, beloved CARE cats. Unforeseen expenses took resources from our cats and some fundraisers did not quite go as planned. During the holidays, we ask you to remember the Big Cats of CARE. If you are in need of gift ideas please see www.sanctuarysupplies.org or CARE's on-line wish list at www.bigcatcare.org. Please keep in mind, financial donations are pivotal to CARE's success.

As we say goodbye to 2006, we look forward to a bigger and better CARE in 2007. We hope to expand our research and internship programs to educate people about protecting these majestic cats. We will continue to update our enclosures and cat shelters. Our website has seen many changes and will continue to grow. We ask you to give what you can to help our cats today. Remember, this is your last chance for your tax-deductible donations to apply to 2006. Thank you and happy holidays!

Events Calendar

Due to circumstances beyond our control the bowling tournament that was scheduled for December has been cancelled. We will keep you informed on rescheduling.

Big Cat Adoption Spotlight

Layla is an energetic African Lioness who came to CARE as a cub. When you visit, you may find her playing hide and seek with her neighbor, Acari, or with the people on the "outside." She also likes rubbing heads with her two tiger roommates, Sydney and Rasa. Layla is still available for adoption. See www.bigcatcare.org for more information.

Special Thanks!!

Thank you interns Sarah Whipple and Taffy Bannon for your tireless dedication and work in the past months. You have made a positive impact on CARE. You will be missed.
